2009-2010

Supply List

Hear ye! Hear ye!

*You do NOT have to buy your school supplies before school next year! Team Obsidian is doing it for you. Just come to school with pens, pencils, erasers, highlighters, and a box of Kleenex, and we'll do all the rest!**

So that all students have the correct, required binders and notebooks, the team teachers will be ordering the necessary supplies over the summer for all team students. At the beginning of school, these supplies will be distributed. For each subject, we will be purchasing:

➔ one binder, one composition notebook, three-ring folders, loose leaf paper, dividers

****There is a cost to each student and family for the supplies. The teachers will advise families of the exact cost as soon as possible over the summer; we will use the web site and e-mail addresses to contact you. We anticipate that because we can order in bulk, the actual cost to you will be less than if you had to buy them yourself. Also, think of not having to go out and wonder how many and what kind of notebook, binder, loose-leaf paper package, composition notebook, etc. to buy. Cheers!***
