"One Goal"

October 3, 2017

Dear Member of the Class of 2022,

On Tuesday, October 17, 2017 at 6:00pm, we will be hosting a Coventry High School Community Night for you and your parents. This will be a wonderful opportunity for you to assist us in planning instructional programs of study for your personalized sequence of courses throughout high school.

Additionally, on the 17th you will get an overview of the courses you will be taking in the high school, the school day schedule will be explained, and the numerous co-curricular activities the high school has to offer will be discussed. Believe it or not, four years will fly by for all of you! With that in mind, members of the staff will also be discussing the graduation requirements you must complete over the next four years.

The evening will include an opportunity for you to see the building assisted by members of the student body. Please be aware that all students that attend the event must be accompanied by a parent or guardian. Should you or your parents have any questions regarding this event, please feel free to call the school and ask for our Guidance Curriculum Coordinator, Mrs. Donna Beaudoin (822-9499 ext. 135).

Come and learn about the great opportunities available for you at Coventry High School. We look forward to meeting you and working with you during the next four years.

Sincerely,

Michael J. Hobin
