

“Far and away the best prize that life offers is the chance to work hard at work worth doing.”
Theodore Roosevelt

COVENTRY LOCAL ADVISORY COMMITTEE ON SPECIAL EDUCATION

The Advisory Committee is designed to run as a pro-active partnership between parents of children with Special Needs, Students, Special Education Teachers/Therapists/Staff, General Education Teachers, Administrators, and other community members who are committed to enhancing the quality of education for children with Special Needs within the district, which will ultimately benefit all children within the district.

The Local Advisory Committee (LAC) advises the Coventry school district on matters concerning the unmet needs of students and:

1. Serve as advocates in partnership with parents for students with disabilities to ensure that they receive the entitlements provided to them under State and Federal laws;
2. Comment on improvement plans including school support plans resulting from Part B compliance reports;
3. Comment publicly on the Coventry school districts compliance with State and Federal laws pertaining to the education of students with disabilities; and
4. Comment on applications for federal and State funds.

We welcome your participation at our meetings and hope that you will consider joining us in our efforts. The committee is also a great way to network with other parents in the community and to learn about special education issues and resources. All meetings are advertised and open to the public. For more information contact Coventry Student Services Department @ 822-9400. A member of the LAC will get back to you, or e-mail us at Coventrylac2@aol.com.

Working collaboratively we can make a difference!
